

3RD GRADE AT A GLANCE

Quad Cities Christian School

Biblical Integration

In our 3rd grade classroom, our educational approach, the exploration of God's Word and biblical principles is seamlessly woven into every facet of daily learning, creating a rich and engaging experience for students. Through our curriculum, students delve into age-appropriate Bible lessons that extend beyond mere study, encompassing real-life applications and relevance. This includes in-depth discussions on the Books of the Bible, interactive activities such as memorizing verses, and meaningful classroom conversations that encourage critical thinking and reflection.

Curriculum

- **Spiritually:**
 - Daily Bible classes provide students with opportunities to deepen their understanding of Scripture and its relevance to their lives.
 - Daily prayers are incorporated into our routine, fostering a connection with God and encouraging spiritual reflection.
 - Chapel sessions offer dedicated times for collective worship, reflection, and spiritual growth, enhancing our students' spiritual experiences.
 - Classroom discussions delve into in-depth Bible concepts, allowing students to explore and apply biblical teachings to their daily lives, fostering a deeper understanding of their faith journey.
- **Academically:**
 - Direct instruction is provided to students, ensuring they receive explicit guidance and explanation on complex concepts and skills.
 - Spelling lists are tailored to meet the diverse needs of students through differentiation, allowing each student to work at their own pace and level.
 - Math instruction is designed to challenge students with complex mathematical concepts, fostering critical thinking and problem-solving skills.
 - Our curriculum emphasizes high-level thinking skills, encouraging students to analyze, evaluate, and apply knowledge in innovative ways to solve real-world problems.
- **Physically:**
 - Daily recesses provide students with opportunities for unstructured play and outdoor activities, fostering social interaction and physical exercise.
 - In-class motion and exercise activities, including brain breaks and worship time, are integrated into the daily schedule to promote movement and

- energy release, enhancing student focus and engagement.
- Flexible seating options are available in classrooms to accommodate students' diverse needs and preferences, promoting comfort and postural support during learning activities.
- **Socially:**
 - Through our Bible curriculum, students are introduced to positive character traits on a weekly basis. These lessons are rooted in biblical principles and aim to instill virtues such as kindness, honesty, and compassion.
 - To recognize and celebrate students who demonstrate these character traits, we announce their names and award certificates during special assemblies or events.
 - Additionally, class field trips provide opportunities for students to apply and reinforce these character traits in real-world settings. These outings offer valuable experiences for students to practice teamwork, responsibility, and respect while exploring new environments and engaging with their peers.

Highlights

The school provides an array of stimulating projects and activities aimed at enriching students' learning journeys. From delving into the mysteries of the solar system to reinforcing multiplication skills with enjoyable ice cream parties, students are immersed in diverse subjects through interactive experiences. Furthermore, programs such as the "Star Students" initiative and biography projects foster self-discovery, organizational skills, and the completion of various writing stages among students.
